<b>Hazard Mitigation</b> Per Disaster Mitigation Act of 2000, all municipalities/local government entities must have a Hazard Mitigation Plan on File with the Emergency Preparedness & Response (EPR) directorate of the Department of Homeland Security by November 2004. Failure to comply with the EPR directive will be reason for refusal of federal claims resulting from declared disasters. SD County has hired a local consulting firm URS as directed by the Unified Disaster Council to work with the Cites, Special Districts and County in the development of a Hazard Mitigation Plan. Terrorism is one of the hazards which will be addressed. EPR has announced that there will be Hazard Mitigation grants in the near future.	No grant submitted		State County SD City	\$40,000 to SD City to develop plan	Developing plan
